

**Accreditation:** This program has been planned and implemented through the sponsorship of the Bronx County Dental society and the Dominican medical-Dental Community outreach Society, Inc. This educational program is designated as an approved Program by the ADA. The formal continuing education activities of this program are accepted by ADA for fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry. The current term of approval extends from START to END. ADA has designated this educational activity for a maximum of 8 CE credit hours. Each dental professional should claim only those hours of credit that She/he actually spent in the education activity

**Course Description:** This program will provide reviews of clinical relevant and patient's care oriented issues in dental care and overviews of certain areas of diagnosis and treatment. This educational activity will involve talks, questions and answers sessions, and in-depth discussion. The schedule talks will be presented by Speakers with special training and expertise in their respective fields, and will be disclosed by members and guest of the DMDS in attendance.

**Target Audience:** This Program is designed for Dentists, Dental Assistants, Dental Hygienists and other health care professionals.

**Educational Objectives: At the conclusion of this activity participants should be able to:**

- Develop strategies to avoid Sexual harassment in the workplace, Identify behaviors that might be considered sexual harassment, The steps that employee should take if harassment occurs. Management responsibilities in responding to a harassment complaint
- Enhance their competence to provide effective and quality dental care to their patients.
- Understating in Detail the impact of recent development in health care policy and laws
