Course Fees:

Course participation \$1,295.⁰⁰

**I approve that the amount listed be charged to my credit card to be applied as a deposit towards my complete course fees. I will be invoiced for the remainder of the course fees and any additional charges that may arise. One form must be submitted for each registrant. If I choose to pay only the deposit at this time, I understand that the remainder is due on/or before December 15, 2018. Failure to pay when due may result in forfeiture of my deposit and course attendance. A non-refundable fee of \$500.⁰⁰ is required to reserve my attendance to the 9th Annual High Altitude Comprehensive Implant Symposium. Additional information will be sent after registration has been accepted.

Additional Hotel Nights:

We have negotiated special rates for 3 days prior to the course beginning and 3 days after the course ends. All hotel nights are the sole responsibility of the attendee and his/her guests and are NOT part of any offered package. For information on how to make reservations contact MEISINGER USA during sign-up to make your hotel reservations.

CANCELLATION NOTICE FROM HOTEL TALISA, VAIL:

Cancellation policies will be provided to the attendee by Hotel Talisa, if requested, prior to their booking.

Important Notice:

- Course speakers and course sponsors are subject to change
- Rooms are limited at Hotel Talisa to the first 100 registrants
- Should the course be canceled by MEISINGER due to unforeseen reasons, all monies collected prior to the event will be promptly refunded
- Acts beyond MEISINGER's control that may preclude this course from being held shall not be grounds for a refund
- All registrations must be made through MEISINGER USA

Schedule of Events

Symposium Highlights

The 9th Annual High Altitude Comprehensive Implant Symposium will feature lectures and optional hands-on workshops by world renowned speakers. There will be 6 limited attendance workshops.

Learning Objectives

Participants will gain an understanding of:

- Current Advancement for Bone Augmentation
- Prosthetic Driven Implant Placement
- Digital Technology and Implant Surgery: Building a New Standard
- Implant Abutment Design and Clinical Workflow in the Esthetic Zone

“Excellent bone symposium again! Thanks for having it again this year.”

Course Intent

Bone Management® is key to successful implant procedures. “Tissue is the Issue but Bone Sets the Tone.” Besides the prosthetic aspect, achieving minimally invasive surgical techniques, along with predictable results, facilitates less traumatic and more controlled surgical procedures. This course outlines implant treatment planning, site preparation, crestal sinus elevation, bone augmentation/transfer control, implant placement, surgical basics in implantology, and much more. Bone Management® is not simply limited to a technique but rather to a mindset and surgical guidelines.

Course Fee Includes:

- The Opening Wine and Cheese Reception with Exhibitors (Wednesday evening)
- All general session lectures
- Buffet breakfast in exhibit hall with our group January 31st - February 2nd (Thursday, Friday and Saturday)
- Thursday evening Exhibitor Party complete with open bar and a variety of food
- The “not to miss” Closing Dinner and Awards
- Private ski race for attendees and family members
- All morning and afternoon breaks

Venue

Hotel Talisa
1300 Westhavan Dr.
Vail, CO 81657

“Great speakers - vendors were amazing! Left this weekend with new tech to help patients. Great job on food and drinks also!”

Resort Accommodations

- Negotiated reduced rates
- The Spa at Hotel Talisa
- Fitness center
- Valet parking
- Vail’s premiere ski-in/ski-out experience, just steps from your door
- Outdoor pool
- On-site restaurants and in-room dining

“Thought the food and conference location was excellent.”

This activity has been planned and implemented in accordance with the standards of the Academy of General Dentistry Program Approval for Continuing Education (PACE) through the joint program provider approval of Implants Northwest LIVE Learning Center and Meisinger USA LLC. Implants Northwest LIVE Learning Center is approved for awarding FAGD MAGD credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. 10/01/2014 to 09/30/2021. Provider ID#320242
